SOLENNITÀ DELLA SANTISSIMA TRINITÀ (B) 26 Maggio 2024

In questo giorno in cui la Chiesa celebra il mistero della Santissima Trinità, apriamo con infinito rispetto il nostro cuore e al nostra intelligenza alla rivelazione sempre nuova del Dio dell'amore e solennizziamo il segno della croce all'inizio dell'Eucaristia. Esso ci ricorda il battesimo, il nostro essere figlie e figlie di Dio..

The Most Holy Trinity is one of the greatest mysteries of our faith. Since it is a mystery it can't be fully understood by our limited human mind but it doesn't mean that it is completely incomprehensible. God himself through His Word revealed this truth to us, so that we may know and love God and participate in his inner life.

Great theologians like St. Augustine and St. Thomas Aquinas explain the mystery of the Holy Trinity in this way: God the Father knows himself perfectly, this knowledge of himself becomes eternally His Son, the Word, the Second Person of the Holy Trinity, who in turn eternally loves his Father back. This love between the Father and the Son is eternally the Holy Spirit, the Third Person of the Holy Trinity.

We see that human family resembles the Holy Trinity: father and mother whose love gives birth to children. Thus family is the most perfect image of God on earth. The truth of the Holy Trinity – one but in three persons - has its bearing on our society. Since we are created on the image of God, we are not destined for a solitary and selfish life but we are called to communion with God and each other, forming unity in loving diversity, contributing selflessly each one of us in a unique way to the common good of the mystical Body of Christ, the Church, and of all humankind.
