SANTISSIMO CORPO E SANGUE DI CRISTO (B)
2 GIUGNO 2024

È la festa della Eucaristia, corpo e sangue di Gesù. Sostenuti da questo sacramento del Corpo e Sangue di Cristo, compiamo il viaggio della nostra vita per entrare un giorno alla mensa del regno.

Today we celebrate the Most Blessed Sacrament of the Body and Blood of Christ: a powerful help from God for us! This Sacrament in the best way expresses divine love for people. Reveals God who cares, who listens, who feeds. The evening before Jesus death He took bread and He took wine in His hands and He told to His disciples: "This is my body, this is my blood! Do this in remembrance of me!" In this way God first jumped into an abyss of love for us. He decided to be our food. He decided to teach us by His own example how to love others in selfless, sacrificial way. Thus who participates at the Holy Mass performs the highest act of wisdom, which enables him to assume Christ-like style of life – the best way of life filled with love!

Although we are week, you and me, we can live in this beautiful way that Jesus showed us, because thanks to His Body and Blood received at the Eucharist, He lives in us, He loves through us. Our hands become His blessing hands, our mouth becomes His mouth full of wisdom, our heart becomes His heart filled with compassion, our soul becomes His soul radiant of pure love! Do you want to be a beneficiary of such a transformation? Come to the Mass! Jesus is waiting for you, crazy in His love for you!

Fr. Janusz Roginski, S.A.C.
